

Data Unleashed

The Next-Gen Data-Enabled Advisor

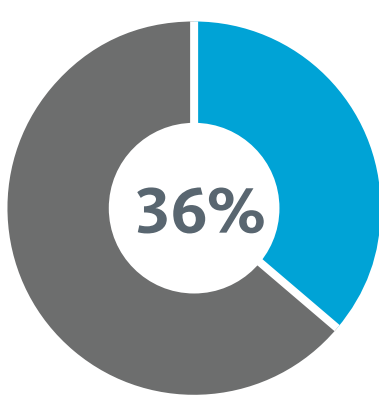

Client expectations are changing. Today's investors demand personalized service, more options and holistic financial advice.

Not every advisor is ready.

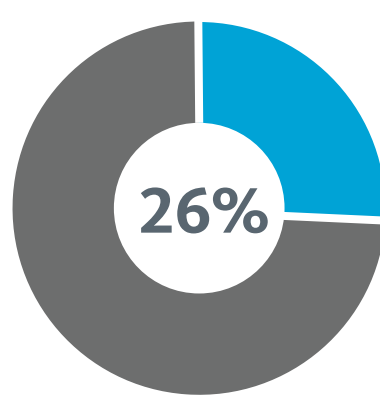

ADVISOR PREPAREDNESS

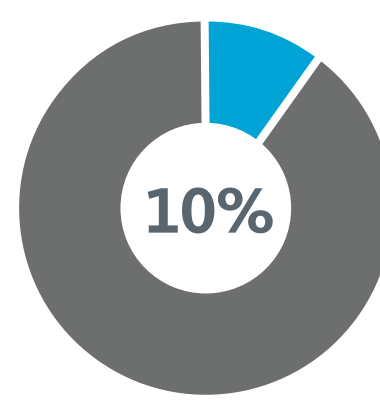

Not ready to provide holistic goal-planning advice

Not prepared to offer alternative investment opportunities

Effectively use data and analytics to understand clients

Leverage artificial intelligence to deliver client service

Source: Broadridge Financial Solutions and ESI ThoughtLab 2018 Advisor Survey

You can deliver the tools advisors need to exceed client expectations. Unleash the next-gen advisor with these data-centric advisor solutions.

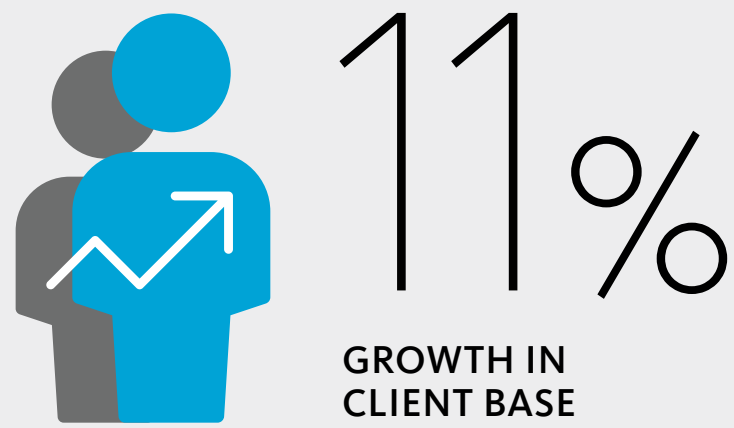

1 | Data Aggregation

Make sure your advisors see the whole picture.

Advisors can't work without reliable data. Provide a consolidated view into each client's holdings—regardless of custodian—with Broadridge's [Data Aggregation, Reporting and Analytics Tool](#).

SEE REAL-WORLD RESULTS

2 | Data access

Empower advisors with smarter productivity.

Inaccessible data is useless data. That's why Broadridge created [Advisor Desktop Solutions](#), a centralized, integrated platform for sales data, commissions, news, alerts, earnings and more.
